

ANNOUNCEMENT
Southwest Consolidated Mail Outpatient Pharmacy
Tucson, Arizona

The Southwest Consolidated Mail Outpatient Pharmacy (CMOP) is seeking applications for one position for the Pharmacy VA learning Opportunities Residency (VALOR) program. For a student to be a successful applicant, he/she must have completed their 1st professional year in an ACPE accredited College or School of Pharmacy. The student must currently have a GPA of 3.0 in order to be eligible.

The CMOP is the practice location for the VALOR Intern. The CMOP provides highly automated mail outpatient pharmacy services for a broad range of VA Medical Centers. It is the responsibility of CMOP to ensure prescriptions are processed and delivered to patients in a timely manner. It will be the duty of the VALOR Intern to observe and participate in the daily tasks performed by the CMOP pharmacists including but not limited to: administrative functions (e.g., quality improvement and inventory management), committee involvement, and staff meetings. In addition, the VALOR Intern will assist the supervising pharmacist, the CMOP Director, and the Deputy Chief Consultant – PBM Strategic Planning with a project during their VALOR appointments. Others involved with the VALOR intern will be pharmacists in other locations across VA including VA Central Office. The VALOR intern must complete a project during the ten weeks that will be submitted to the CMOP Director.

The VALOR intern will work Monday-Friday full time for 10 weeks during the summer.

To apply for the VALOR intern position, submit a copy of the most recent College of Pharmacy transcripts, a curriculum vitae, and a letter of support from the Dean and one other pharmacist.

The successful VALOR intern does have an ability to have a non-competitive appointment for a pharmacist's position upon graduation.

To apply or learn more about the position contact Phil Gordon at phil.gordon2@va.gov
